

St. JOSEPH  
JUNIOR HIGH SCHOOL

TRINITY  
HIGH SCHOOL

Dear St. Joseph Jr. High School and Trinity High School Community,

I am honored to serve as St. Joseph's Junior High School and Trinity High School's President. This is an exciting time for both our schools as we finished phase one of our expansion and renovation project merging both schools into one campus. I am honored and grateful to be a part of such an amazing and vibrant community. Trinity and St Joseph's are built upon a strong foundation and rich tradition. I am inspired by the thousands of alumni who have walked these halls and witnessing the true, lifelong friendships that have been created. I am energized by our talented educators and staff, who offer strong, scholastically excellent experiences in and out of their classrooms. I am grateful to parents, for it is in our partnership with them that our students can thrive as individuals and be the faith-filled leaders of tomorrow. Trinity High School and St. Joseph's Junior High School have had such a positive impact on so many, it's no wonder why both schools are experiencing continued enrollment growth. Both communities are ripe with enthusiasm and excitement with much to look forward to!

Our new facilities allow greater access for our students to experience greater opportunities, creating a student-centered approach, where our learners grow in Faith, Scholarship, and Character. I am most excited about the implementation of our student success model as we prepare our students for college and career readiness from day one. We want our learners to find their interests by providing experiences and instilling pathways for each student to make a difference and be set up for success.

Sincerely,

Nathan Stanton  
President  
Trinity H.S. & St. Joseph Junior H.S.
